## Become an Approved Provider Fully subsidised places for Kirklees groups

With the concept of social prescribing taking the UK by storm, the voluntary and community sector (VCS) are deservedly being recognised for their integral role in Health and Wellbeing. The public sector's recognition of the impact and positive outcomes achieved through VCS service delivery is growing, especially in Kirklees.

As part of an ongoing commitment to increase the capacity and capability of the Voluntary and Community Sector and its delivery of quality Health and Wellbeing Support, Kirklees Council and Greater Huddersfield Clinical Commissioning Group are offering full subsidy to sign up for the Quality For Health Standard to all VCS organisations who deliver Health and Wellbeing services in Kirklees.

*"We know that health can be really improved by improving social isolation and getting out of the house - that's what these services can provide. Quality For Health is a standard that we can see the voluntary group is providing, so we know that it is a good service and our patients will be well received and get the service they require."*

Dr Steve Ollerton  
Chair, Greater Huddersfield CCG

There will be no cost to your organisation seeking to achieve the standard and you will receive dedicated support from one of our Development Officers. If you are interested becoming an Approved Quality For Health Provider now or in the future please register your interest either via email or by telephoning me on the number below.

**To arrange a find out more meeting about the standard and becoming an approved provider, please contact Dorothea Annison**
